Sir:

Under the law (Sec. 2170, Revised Statutes of the United States) five years' continuous residence in the United States is necessary before naturalization can be granted. The application for a passport of Chas. H. Tickenburg shows that he emigrated to this country July 17, 1894, and the naturalization certificate was issued May 16, 1898. As it could not lawfully be granted at that time, the Department declines to accept it or to issue a passport upon the evidence submitted.

I enclose the application, the naturalization certificate, and the sum of one dollar (~~currency~~), which accompanied the papers.

I am, Sir,

Your obedient servant,
